End of Year 2019

Stephen Scot Mayer
Chief of Police

These statistics have been compiled by the Richwood Police Department located at 1800 Brazosport Blvd N. Richwood, Texas 77531. Please feel free to call the Chief's Office at (979) 265-2640 if you have any questions.

February 12, 2020

Dear City Officials and Community Members:

Enclosed is the **Richwood Police Department's 2019 Annual Crime in Richwood Report**. This report represents the workload and performance of the Richwood Police Department during the calendar year 2019 as well as crime rate comparisons between 2018 and 2019.

In summary of the report is the fact that violent crime was found to be extremely low throughout the year. As a matter of fact, of the four violent crime classifications, sexual assault was the only crime realized. Criminal Homicide, Robbery, and Aggravated Assault were all non-existent in Richwood in 2019. Realized, was a -25% reduction in violent crime.

A further breakdown of the report finds property crime to have increased by 37.7%. That tallies up to fifty-two (52) Larceny/Thefts, thirteen (13) Burglaries, and eight (8) Motor Vehicle Thefts as compared to 2018 when the city of Richwood realized forty-two (42), seven (7), and four (4) respectively. That is an increase of ten (10) Larceny/Thefts, six (6) Burglaries, and three (3) Motor Vehicle Thefts this year as compared to last.

In reviewing violent and property crime as a whole, six months of the year saw a lower crime rate than the year before, five months were higher than the year before, and one month tied. Matter-of-factly, the months of March, April, May, and June saw considerable increased in criminal activity -- the result of several highly active criminal enterprises operating in the Brazosport area. Aggressive police action was employed thus limiting the duration of criminal events in Richwood. Nevertheless, the majority of the crime spikes realized occurred on three separate nights within the year.

Moreover, the report is a testament to the organizational philosophy of "Compliance before Accountability." In an effort to put the citizens of Richwood first, and ensure the Department does not engage in heavy-handed policing, the Department has seen a reward for its efforts of a -34.3% reduction in traffic contacts and a -37.5% reduction in citations. Of further testimony is the fact the Department can boast a -6.1% reduction in traffic crashes. Fewer stops, fewer citations, and fewer crashes equates to the fact; a promotion of compliance of the law is far more effective than a focus on accountability.

Respectfully submitted,

Stephen Scot Mayer
Chief of Police
