

END OF THE YEAR  
**2024**

# RICHWOOD POLICE

Greetings,

Welcome to the 2024 End of the Year report. As your police chief, I realize how important it is to you to know about what is going on in the community. Equally important is to know what your police department is doing to combat those things. This humble report is designed to provide you with that snapshot and those answers. I hope you find it helpful and informative. As always, should have questions, please do not hesitate to reach out. I am here for you as are my team.

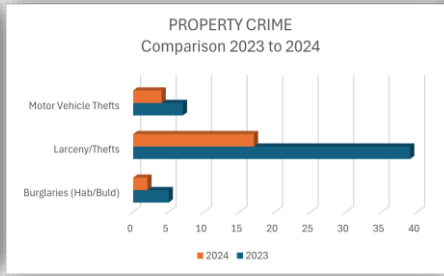

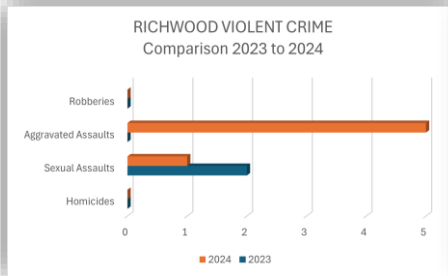

*Stephen Scot Mayer*

## CRIME SERIOUS CRIMINAL EVENTS

Homicide, Sexual Assault, Aggravated Assault, Robbery, Burglary, Larceny/Theft, Motor Vehicle Theft

The year 2024 realized 0 homicides, 1 sexual assault, 5 aggravated assaults, 0 robberies, 2 burglaries (habitation/building), 4 burglary of motor vehicles, 17 larceny/thefts, 4 thefts of a motor vehicle. Apart from the aggravated assault classification, Richwood saw reductions in all other crime categories.

## CRASHES

Motor vehicle accidents in Richwood

The year 2024 realized a total number of motor vehicle crashes at 45. This was an impressive drop from the 61 reported in 2023. That is a 26% decrease. The juncture of FM 2004 and SH 288B earned the title of most injury related intersection, lifted from SH 288B and College Drive which has been the intersection where more people have been hurt for the last 3 years in a row. Of most significance is the fact that there were zero fatality accidents in 2024 as compared to 2 in 2023. All in all, fewer crashes occurred, and fewer motorists were injured, and no one was killed in crashes in Richwood in 2024.

## CITIZEN ENGAGEMENT

The police and the public coming together as a community

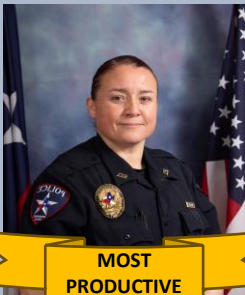

The police department hosted all three of its annual major events, Shop with a Cop, All America Night, and National Night Out. Each event was an absolute blast. Because of the generous donations of so many Richwood businesses a record number of children were gifted a complete Christmas. This year, not only did the kids get to go shopping with a police officer, but each family was provided a complete Christmas dinner and a lighted Christmas tree. All America Night was one of the best ever. A special thank you to the Richwood Volunteer Fire Department for their commitment to the community. The police department also had an amazing time interacting with our community during Halloween night and on Easter.

**The year 2024 saw police officers putting in the work to better serve this community.**

**Most Productive** was Sergeant A. Nadia Nelson. As usual she was leading the charge while leading by example. In 2024, she performed **560 traffic contacts**, made **11 arrests**, issued **247 citations**, and answered **779 calls for service**.

**Honorable Mention** goes to Officer Samantha Stallberg whose numbers were nothing to scoff at. In 2024, she performed **260 traffic contacts**, made **0 arrests**, issued **47 citations**, and answered **475 calls for service**.

Officer Ali Torres started with the PD in September of 2024. Still his numbers are still rather impressive for four months of Field effort. There is a very good chance he is the one to watch out for in 2025. Looks like he will make a positive difference in the community.

Sergeant Rashid Abdullah has no reportable stats as he has been out on a line of duty injury leave all year.
